

## TSI CEO Awarded 2011 Corporate Heroine In Technology Award

**Arlington, VA – October 21, 2011** – TSI CEO Marta Wilson was honored with the Corporate Heroine in Technology Award, which is presented by the Armed Forces Communications and Electronics Association (AFCEA NOVA) and the March of Dimes to recognize women who exemplify volunteer service and make their communities better places to live.

The Heroine Award winners were announced at a black-tie gala held on October 21, 2011 at the Hyatt Regency Reston. Marta was selected from an exceptional group of twenty award finalists for establishing TSI's Feed to Lead Outreach Program, which commits multi-year funding earmarks for fighting hunger and for promoting literacy and STEM education. In the years ahead, Feed to Lead will continue to be an important and meaningful part of TSI's mission.

### **About Transformation Systems, Inc.**

TSI is a fast growth management systems engineering company of PhDs, possibility thinkers and business authors who help forward thinking military and civilian leaders within the Defense community achieve their extremely challenging goals in ways that are most efficient, effective and responsive. The TSI team has been recognized repeatedly for helping set historic records as part of the Defense community's counter-IED effort within the Joint MRAP Vehicle Program and by the Naval Sea Systems Command for facilitating successful technology transitions such as ERP. When leaders must improve enterprise performance without increasing their budgets, they call TSI for management systems engineering solutions that increase productivity and save money.
