

## Transformation Systems, Inc. Celebrates Ten Years in Business

**November 2012** – TSI celebrated ten years of successfully delivering TSI’s signature transformation solutions, driving government organizations forward and helping defense leaders achieve their bold goals.

TSI employees and their guests gathered at the Gaylord National Resort in National Harbor, MD on November 3, 2012 for TSI’s 10th Anniversary Celebration. The gathering promoted a good cause with a book drive benefiting the Marine Toys for Tots Literacy Program. TSI employees enthusiastically donated over 100 new books.

Soon after TSI was launched in 2002 by company CEO Dr. Marta Wilson, the company was propelled into a fast growth phase. This upward trajectory has continued leading TSI to rank on the Inc. 5000 Fastest Growing Companies in America list for four consecutive years. TSI has received numerous awards and accolades and continues to be a force in the defense industry.

### **About Transformation Systems, Inc.**

TSI is a fast growth management systems engineering company of PhDs, possibility thinkers and business authors who help forward thinking military and civilian leaders within the Defense community achieve their extremely challenging goals in ways that are most efficient, effective and responsive. The TSI team has been recognized repeatedly for helping set historic records as part of the Defense community’s counter-IED effort within the Joint MRAP Vehicle Program and by the Naval Sea Systems Command for facilitating successful technology transitions such as ERP. When leaders must improve enterprise performance without increasing their budgets, they call TSI for management systems engineering solutions that increase productivity and save money.
