

1-HOUR TRAINING REINFORCEMENT SESSIONS

LEAP with Transformation Systems, Inc.

NEED A QUICK REFRESH?

Training reinforcement extends the learning environment beyond the classroom to reengage participants with relevant content on a continual basis. Each element integrates seamlessly to create a powerful learning experience that accounts for the complexities of adult learning theory. These components aid participants in recall and application in the face of competing demands post-training and helps to sustain improved performance long after the training event is complete.

COST: \$1,000

ORDER A TRAINING REINFORCEMENT SESSION

To order and schedule your training reinforcement session(s), please contact Janelle Millard, LEAP Programs, at jmm@transformationsystems.com or 571-384-0956. Payment via Federal purchase orders and Federal credit cards welcome.
